KENOSHA – The Downtown Parking Structure will open for public use starting on Monday, March 8<sup>th</sup> at 8 a.m. The parking structure is located along Eighth Avenue between 56<sup>th</sup> Street and 57<sup>th</sup> Street with the entrance along Eighth Avenue. Parking within the parking structure is free. No overnight parking is allowed between the hours of 3 a.m. and 5 a.m.

Automatic gates are activated as vehicles enter or exit the garage to provide access control for vehicles entering and exiting the parking structure, as well as pedestrian safety.

The public will be able to park on levels one through four. The fifth level will be closed through the winter months and is expected to open in the spring. Work will be ongoing within the structure, with some parking areas restricted during the spring to complete improvements. Eighth Avenue from 56<sup>th</sup> Street to 57<sup>th</sup> Street also will be resurfaced in the spring.
